

How to Use [Medicare.gov](https://www.medicare.gov) to research and enroll in your Medicare Rx Plan (applies to Medicare Supplement Enrollees only)

1. Go to www.medicare.gov
2. Click on upper right corner **Login**.
3. Either login if you already have an account, or create an account using your Medicare ID card.
4. Confirm the verification code Medicare sends you.
5. Once logged in, from the 'My account home' page, scroll down to see **Your Plans**
6. Click on your current **Drug Insurance** plan, **Cost & coverage details**.
7. Click on **Back to search results** in upper left-hand corner.
8. Select **Medicare Drug Plan (Part D)** and click **Continue**.
9. View your current Medicare Rx plan and the 2024 top Medicare plans below yours.
10. Do your own review and comparison of the plans listed and if you need to change your Medicare Rx plan for 2024 you can enroll online or call the non-member 800# by clicking on **Plan Details**.

This is the **quickest and easiest** way to keep your Medicare Rx plan current and up to date.
