Important reminders for the 2027 Annual Enrollment Period (AEP)

The Annual Enrollment Period (AEP) – It is that time of year again! The **Medicare Annual Enrollment Period (AEP)** runs from **October 15 through December 7**. This is your yearly window to review and make changes to your Medicare health or prescription drug coverage.

VERY IMPORTANT - **Medicare Advantage (Plan C) and Stand-Alone Prescription Drug (Plan D) Clients** – Be on the lookout for your Annual Notice of Change (ANOC). This notice should arrive via letter or an email and will outline any changes to your plan for 2027. **You need to review and keep this document, so you are aware of what is changing for 2027...such as...**

- **Costs:** Are your monthly premiums, deductibles, or maximum out-of-pocket limits changing?
- **Prescriptions:** Are your current medications still covered, or have they moved to a more expensive tier?
- **Network:** Are your preferred doctors, specialists, and pharmacies still in your plan's network?

As your trusted agent, I am here to do the heavy lifting for you. **IF YOUR PLAN IS CHANGING** and you want to review options, please book a phone appointment with me by **October 30th**.
